

smixin™ Pro

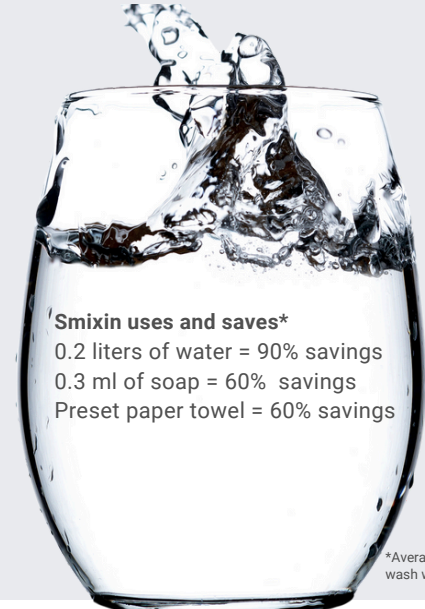

THE 3-IN-1 HANDWASHING STATION

Water, soap and paper are automatically dispensed after activation via a precise sensor. Due to the optimal mix of water and soap with air, your hands will feel silky-clean after washing.

- Handwashing according to WHO-Standard
- Saves up to 90 % water, soap, and paper
- Stainless steel with a light grey powder coating
- Plumbed-in or as a self-contained, mobile model

WASHING YOUR HANDS WITH ONLY ONE GLASS OF WATER

SMART SMIXIN

CONTROL, MONITOR AND ANALYZE YOUR SYSTEMS

Our smart dashboard displays the data on your water, soap and paper savings and allows you to monitor and configure the settings as desired. It also allows you to upload videos and pictures that you can use for advertisement and communication purpose on the screen of the Pro Display model.
